

*Farm to Table
Restaurant*

Hop's was established in 2020 with the goal of creating a place that supports the local economy by sourcing local.

Our seasonal menus offer something for everyone. The Hop's menu has plenty of vegan, vegetarian, gluten free, and meat lover options.

In addition to our food options, Hop's has an extension bar full of Kentucky spirits, cocktail options, and local beers.

Hop's is located at 2613 KY-11, just 5 miles south of Natural Bridge State Park.

Look for the shipping containers.
