We receive many requests to utilize Hop's for a wedding/after party location. Since we are a full-service restaurant, we are not able to close for private events, while Hop's is open. If you have 20 people or less for an event, on the days we are open, Hop's has a gazebo area that can be reserved for groups of this size or smaller. Text or email to reserve the gazebo space. Hop's can also be reserved on days that we are closed; however, all food and drinks must be provided by Hop's when utilizing our space.
